Ride up to the stars across the heaven

Hello, you say, you will drive me lazy

Meeting my heart, leaving the yard

Waiting for the night's burst never say never

We freak, we burts, pasting from our angles

/: When I am standing on my head  
you are crazy smiling  
Now we don't have it, we are mad  
go round this speedy romancing :/

v1: You have the time to take a break  
Get up to find your lost control  
Someone loves you trust, your soul  
Looking for the right size and a good measure  
I am a tough guy from the sky  
My good will drives me crazy

R2: /: When I am standing on my head

Now we don't have it, we are mad  
go round this speedy romancing :/ :/
